Vegan Lentil Bolognese Pasta

Indulge in the cozy comfort of a classic Italian Bolognese, now with a vegan twist! Originating from Bologna, this plant-based version captures the rich, hearty essence of the traditional dish, with a soffrito-inspired base for that nostalgic warmth. Made with just 10 ingredients, it's the perfect weeknight dinner that's both satisfying and soul-nourishing. Enjoy it on its own or with your favorite Italian sides—either way, it's a delicious adventure in every bite!
